

ATTACHMENT 1

Examples of Medicaid-covered SBS transportation

(Procedure codes effective August 1, 2001)

Child A (Refer to Attachment 2 of this *Update* for an example claim form.)

School-based service other than transportation is provided at hospital.

Total miles traveled to and from a school-based service site: $5 + 18 = 23$

Claims submission: The provider must use the following codes:

- Procedure code W6074 – daily base rate (1 unit).¹
- Procedure code W6075 – three miles over the daily base rate (3 units).

Note: The provider can only be reimbursed for transportation from the school to the hospital and for the trip from the hospital to the home. The provider cannot be reimbursed for transportation from home to school because no Medicaid-covered school-based service was provided at the school.

Child B

School-based service other than transportation provided at school.

Total miles traveled to and from a school-based service site: $12 + 12 = 24$

Claims submission: The provider must use the following codes:

- Procedure code W6074 – daily base rate (1 unit).¹
- Procedure code W6075 – four miles over the daily base rate (4 units).

Child C

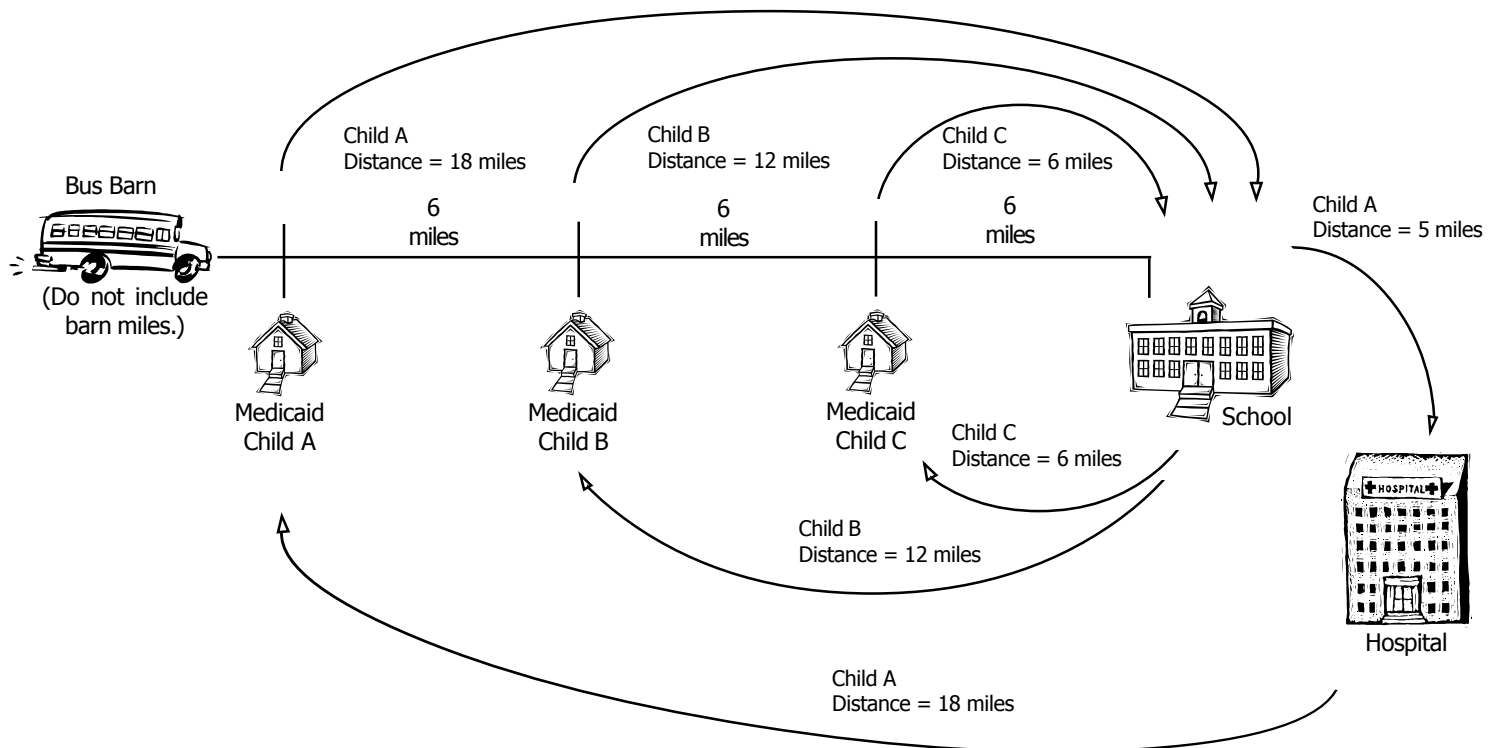

School-based service other than transportation provided at school.

Total miles traveled to and from a school-based service site: $6 + 6 = 12$

Claims submission: The provider must use the following code:

- Procedure code W6074 – daily base rate (1 unit).¹

Transportation examples including daily base rate and per mile rate

Note: If the total number of miles is not documented in a child's record, a provider may only use procedure code W6074. Please refer to the documentation section in this *Update* and the SBS Handbook for complete documentation requirements.

¹Daily base rate includes the first 20 miles the child traveled for the day.
